NOTICE

- The teacher will use the first week for revision.
- In the second week, the teacher should teach them the 21th hadith and explain it. He must also make sure that they memorized it perfectly before the week ends.
- In the third week, the teacher should teach them the 22nd hadith and explain it. He must also make sure that they memorized it perfectly before the week ends.
- In the fourth week, the teacher should teach them the 23th hadith and explain it. He must also make sure that they memorized it perfectly before the week ends.
- In the fifth week, the teacher should teach them the 24th hadith and explain it. He must also make sure that they memorized it perfectly before the week ends.
- But for the sixth week, they should revise what has been memorized and he must make sure they understand what they’ve memorized
- In the seventh week, the teacher should teach them the 25th hadith and explain it. He must also make sure that they memorized it perfectly before the week ends.
- In the eighth week, the teacher should teach them the 26th hadith and explain it. He must also make sure that they memorized it perfectly before the week ends.
- In the ninth week, the teacher should teach them the 27th hadith and explain it. He must also make sure that they memorized it perfectly before the week ends. i.e. they have learnt 7 hadith for the term.

- For the 10th and 11th week, the teacher will take them as revision weeks to make up their imperfections in memorization or comprehension. he might organize hadith competition for them. Hence, he test their memorization and comprehension and prepare them for examination as they will have the insight of the examination.
- But the left over week is for exam and its requisite
- All these will be practiced in the second term as well. But 3rd term is different from the previous terms as it is for the completion of hadith memorization. So, the total hadith to be taught in 3rd term will be six. Hence, lesson will stop there in the eighth week and the rest week is for revision and examination.
- **Special Note For Second Term:** The teacher will revise with the pupils in the first week what was memorized in the first term. Then he will start new lesson in the second week with the 28th hadith of the prescribed book. The teacher will follow the above methods until 9th week when he reach 34th hadith.
- **Special Note For Third Term:** The teacher will revise with the pupils in the first week what was memorized in the 1st & 2nd term. Then he will start new lesson in the second week with the 35th hadith of the prescribed book. The teacher will follow the above methods until 9th week when he reach 40th hadith .

Meaning of Belief 4. Meaning of Qadar (Destiny) 5. The meaning of Islamic law

NOTE:

- The teacher will read the book with the pupils loudly. He should read it repeatedly until it stick to their memory. Then he should strive to make them understand what they have read. He must make sure they understand creed's expressions during lesson. So, the teacher should note the main points while explaining. He will then ask them question on those expressions to know their level of comprehension. And if there is need video presentation, the teacher should not be reluctant to inform management. If there need for him to go all over the madrasah with the pupils he should. And if there is need for general exercise in the class for better comprehension, he should do so. Like using contrary words, debate, competition and so on. The objective is that the pupils should understand authentic monotheism that is free from polytheism, innovation and quasi.
